

SELECT

In-Country Partners | INTERNOVA

Description

The Internova SELECT In-Country Partner Program connects our private network of Destination Management Companies around the globe with our vast network of luxury travel advisors across our collection of travel brands. Together, with our trusted advisors, you collaborate to provide unparalleled travel experiences for our clients.

Color Palette

HEX: #000000
Pantone: Black C
RGB: 0, 0, 0
CMYK: 0, 0, 0, 100

Typography

HEADLINE

IvyMode thin is the primary font for headlines and callouts on all print and digital artwork. Use weights: thin, light, regular (thinner at large sizes)

Body text

Mundial for paragraphs and small prose — in light, regular and demi-bold

PLEASE NOTE: The word SELECT should always be capitalized

White Space

Minimum clear space: the width of letters "SE"
